Please call the Client or their agent directly to arrange access to the property.

All projects must be site estimated. Any dimensions, amounts, etc. in the Workscope cannot be deemed accurate; you must site visit and measure for yourself. The work-scope is only a guide. Remember to include all permit costs, labor, materials, equipment, travel, sub-contractor costs, the value of a one-year parts and labor warranty, and all other estimated costs associated with completing the job into your pricing. You are not required to bid on all workscope items. You may or may not be awarded all items bid on so please bid accordingly.

TO SUBMIT AN ESTIMATE, you can utilize the bid form we have provided and/or provide a lined itemized, detailed estimate on your own company letterhead listing your costs for each individual workscope lettered item. Company letterhead must include project name and address, Business name matching insurance, mailing address and phone number. Specific performance and materials should also be listed. You may return the Contractor Proposal by fax, mail, e-mail, or drop off at our office. Please keep the Workscope for future reference.

***** Bids are to be submitted by bid deadline dates listed on Bid Form *****
