What can I expect from the FSS Program?

Through the FSS Program, you can expect help in finding and using support services effectively to assist you in reaching your goals. Some of the services we will direct you to include:

- Job Training and Employment Counseling
- Education and Program Enrollment Information
- Financial Counseling
- Life Skills and Personal Development
- Homeownership Counseling

Am I eligible?

You may participate if you:

- Currently receive Section 8/Housing Choice Voucher (HCV) rental assistance through RUPCO.
- Are motivated to improve the quality of your life through earned income/employment.

There is no risk to your rental assistance by participating in FSS, as long as you are following Section 8/HCV rules.

“Arriving at one goal is the starting point of another.” – John Dewey

What benefits do I receive?

You get the satisfaction of knowing that your family is able to meet its needs. You will learn how to make the most of available resources and gain access to the support services you need.

As a bonus, the **U.S. Department of Housing & Urban Development (HUD)** will establish a savings (escrow) account in your name and add money to it every time your earned income increases!

The money is set aside for you while you work toward accomplishing your goals. Some of the savings can be used to help you in reaching these goals, such as work attire or tools, books for school, debt reduction, down payment on a home, or maintenance expenses for a car.

Upon completion of your goals, you will receive all of the funds in your escrow account. There is no limit to what you can receive when you graduate from FSS. **RUPCO has awarded checks for over \$20,000!**

What can I achieve?

When you work through the FSS Program, you are working towards goals that you set forth. However, there are a few goals FSS has for you:

- You will be employed full-time (at least 30 hours per week) by the end of the five-year contract.
- You will be completely off TANF assistance for at least one year prior to program completion. (But you may still receive Food Stamps or HEAP.)
- You will complete activities that you choose to help you meet your goals.
- You will work cooperatively with the FSS Coordinator when any changes occur.
